

8th grade Teachers and Principals,

With school closing and 9th grade class registration planned for next week we would like to be as proactive as possible on getting your students signed up for next year's courses. We know that school is out for the next couple weeks, but we wanted to let you know what we are working toward completing course registration. We will be sending the parents an email through Aeries Communication for those who have enrolled online and providing detailed directions for online course selection. I have also attached the manual registration form so you will have a copy when students come back to school. We would also like to have your recommendation for each student regarding Math and English placement;

1. Math (pre-algebra, algebra 1, or algebra 1 plus) they can also take the challenge test scheduled for May 7th at 3:10. If they pass they can start directly in Math 2 Honors.
2. English 9 or English 9 Honors
3. Ag Biology or Biology
4. One Elective of Choice
5. Computer Ops
6. Boys or Girls P.E.

INSTRUCTIONS FOR PARENTS

STEP 1: Enroll Online - see lassenhigh.org (enroll here)

STEP 2: Finish the Course Offerings Sheets when students return in April

STEP 3: Select Courses in Aeries

STEP 4: Fill out the Academic Plan (Optional)

Special Education registration will be done during the transition meetings later in May.

We understand that you will be out for the next several weeks so there is no hurry to get this done.

ACADEMIC PLAN (FOUR YEAR PLAN) INSTRUCTIONS – Optional

Adding courses to your academic plan

Go to www.lassenhigh.org

Go to the Parent and Student Tab and go to Aeries

Log into your Aeries Portal (Parent Portal) account. Check your email if you have not completed the setup.

Once logged in put your cursor over the toolbar (Classes) verify this is you.

Click on Academic Plan option.

Click on Multi Year to easily complete your entire plan.

Click the Available Sequences dropdown for the subject area

Select the sequence you want

Click Apply the selection

Repeat until your four-year plan is complete.

IF classes are correct, click Submit my plan for review at the top of the page.

***When completed with your Academic Plan, DO NOT FORGET to Submit my plan for review.

Deleting a course from your academic plan

Hover over the course you want to delete

Click on the red x
