House Team Standings

Welcome back to school! This year has been amazing so far. There have already been so many House team cards; it's safe to say you guys have been working super hard. So far the Bees have been in first place! Right behind first are the hard workin' Eagle lake Eagles.

In third place we have the intelligent Almanor bobcats! Last but not least are the Cougars with roughly 200 points. You guys are amazing! Keep up the good work!

Go Shaffer!!!

Shaffer Sports!

This year shaffer sports are blossoming better than ever! Cross country is just starting, their first meet is on September 28th so make sure to check that out. There is currently an open gym for both Boys and Girls Basketball going on. Girls basketball is starting soon (Mid October) as well so make sure to go cheer on shaffer! . Go Shaffer!

Staff Spotlight

Mr. Norocel

This month's Shaffer Spotlight is... Mr. Norocel. This is his first year teaching at Shaffer School. At the age of six he started playing the violin; he started playing because he enjoys hearing the harmonies of the music. His favorite instrument to play is the violin. He started teaching at Shaffer because he was inspired by Mr. Blackburn; he had a vision for music. His favorite class to teach is string orchestra. He can play the violin, viola, piano, ukulele, and the cello. He can also speak many other languages. For example he can speak Romanian, English, intermediate Italian, and beginner German. He wants students to remember to never give up and to always stay curious. He also believes that you should always read. Mr. Norocel is an astonishing guy!
