Count Those 24 Kicks

8 x 8

Clips Fell on the Floor, Pick Them Up—All 64

3 x 7

Spin 21 Tops, Watch Them All – Til Each
One Drops

10x, 11x, 12x

11x

- Write 11×9
- Write the number 9 over each 1 in the number 11. (99)
- Circle 99 as the answer

12x

- 12×2
- Get the answer to 11×2 first. (22)
- Write the number 22 over the number 12. (The fact now reads 22×2 .)
- Change the \times sign to a $+$ sign. (The fact now reads $22 + 2$.)
- Add $22 + 2$ to get the answer. (24)

3 x 3

9 Cuts on My Knee
